We miss you, but we are making plans to reopen! In the meantime, we'll continue to provide fun virtual activities and explorations on our Museum From Home page at biodiversity.ku.edu/nhm-at-home and our social media. Follow us on social media (Facebook/Instagram/Twitter) for museum updates.

MUSEUM FROM HOME

VISIT US ONLINE!
Explore exhibits, activities & more through our Museum From Home web page at biodiversity.ku.edu/nhm-at-home!

STORY BOOK SCIENCE
Story Book Science is a fun weekly program for youth showcasing some of our favorite science-oriented story books and bringing them to life through hands-on STEM Challenges you can do at home! This month we’re highlighting the spooky side of science!

Every Wednesday at 10AM - Online on our Facebook page

- OCTOBER 7: She Made a Monster: How Mary Shelley Created Frankenstein by Lynn Fulton
- OCTOBER 14: STEM Challenge
- OCTOBER 21: I am Marie Curie by Brad Meltzer
- OCTOBER 28: STEM Challenge

DISCOVERY DAY - NATIONAL FOSSIL DAY
OCTOBER 14, 10AM – 4PM - Online on our Facebook page

Join us on our Facebook page for a virtual paleontology party and celebrate National Fossil Day with us! We’ll have special video presentations for all ages throughout the day featuring scientists and students from the KU Biodiversity Institute and Natural History Museum, plus some special paleontology guests!

NSCO KU STUDENT MOVIE NIGHT
OCTOBER 22, 7PM – 10PM – KUNHM Dyche Hall South Lawn

NSCO, the museum’s student group on campus, will present a free showing of Jurassic Park on the south lawn of the KU Natural History Museum at Dyche Hall. Limited to 45 KU students. All COVID-19 precautions must be observed and students must present a KU student ID. Soda, water and individually-wrapped snacks will be provided.

DISCOVERY DAY - NATIONAL FOSSIL DAY
OCTOBER 14

SECRET OF THE KU NATURAL HISTORY MUSEUM
OCTOBER 31, 8PM – Online

Join us on Facebook to learn about the mysteries of the KU Natural History Museum! Take a virtual tour of Dyche Hall’s tower, read the time capsule message found in a test tube, explore the secrets in plain view on Dyche Hall’s exterior walls, and more during this special online evening event. The video will be available for viewing until midnight Sunday, November 1.
