**Story Book Science - Fearless World Traveler**

**Saturday, Feb. 12, 10:30am-12:00pm**
KU Natural History Museum, Dyche Hall

Join us for readings of Fearless World Traveler: Adventures of Marianne North, Botanical Artist, on Saturday, February 12! We’ll have readings of the book which explores the life of Victorian botanical artist and innovator Marianne North at 10:30am and 11:30am, plus specimens and activities throughout the event until 12:00pm! Children must be accompanied by an adult throughout. Geared toward youths aged 4-8 but all are welcome. Info: tinyurl.com/SBS-2-2022.

**Feb. 17 is One Day. One KU! Help us raise funds for KUNHM**

**SAVE THE DATE**

**2.17.2022**

We hope you’ll join us for this year’s One Day. One KU. campus-wide fundraising day on Thursday, February 17! We’ll be raising funds to support our Exhibits and Panorama Student Grants, which support the research of Biodiversity Institute student researchers. Donations of any amount help on this special day and even sharing our social media that day helps! Learn more on our Facebook, Twitter or Instagram channels or visit: rockcha.il/odoku22-nhm.

**Summer Camps this June - Registration Opens March 1**

Our popular Science Summer Day Camps are back this June, but space is limited. Registration opens March 1. Our content-rich science camps provide high-quality STEM experiences, geared toward 8-11 year olds and are taught by experienced museum professionals. Join us for Sea Science (June 6), Space Odyssey (June 8) & Geology Explorations (June 10). Learn more at biodiversity.ku.edu/summer-camps.

---

**Coming Soon!**

Collections Up Close returns to the KU Union this spring, March-May! Drop by monthly for a spotlight look at one of our collections, with expert insights from graduate students!

This spring, we’ll have special guests from KU STEM clubs too!
